A Joined Force

Lingwood Food Services one of the UK's leading provider of food processing equipment have announced that they have teamed up with Italian manufacturer, Siate s.r.l. to provide flexible Tray Sealing solutions for the food industry. A delighted Ian Hope, Managing Director of Lingwood said: "This has allowed us to broaden our portfolio to provide even more food processing solutions for our clients and is in line with our policy of working with the highest quality machinery manufacturers." Siate are based in Northern Italy, about 70 kilometres North of Milan at Malgesso. Founded in the mid 1970's they specialise in the development and manufacture of modified atmosphere and vacuum tray sealing equipment. Thanks to constant development of new products and experimentation with innovative new technologies. Siate s.r.l. is one of the leading companies in the vacuum heat-sealing sector and in the development of fully automated packaging lines. For further information, telephone Lingwood Food Services on 01449 771202.
